

Elevation Certificate Basics & CRS EC Requirements

**LUNCH
PROVIDED!**

When: Thursday, November 12, 2015
8:30 AM – 4:00 PM

Where: Alachua County Public Works
Ready Room
5620 NW 120th Lane
Gainesville, FL 32653

CECs: 6 for CFM
4 for PE
4 for PLS

Course will break from
10 – 11:30 AM for FFMA Board
Meeting. All course participants
are invited to attend.

Instructor: Del Schwalls, PE, CFM

Cost: \$50 – FFMA individual members
\$150 – non-FFMA members

Course Description:

This course will:

- provide detailed training on completing a FEMA Elevation Certificate (EC) accurately and in its entirety, allowing full compliance with any program that requires submission of a FEMA EC.
- cover EC requirements for surveying, foundation flood openings, and certification.
- review the Community Rating System (CRS) requirements for an EC and those portions that can differ from other programs.
- identify the portions of the EC instructions that should not be used, in order to achieve full compliance with all programs.
- include common errors and omissions, review of the various EC building diagrams, and real-world examples.

Course Objectives:

- Learn to complete a FEMA EC in order to satisfy the requirements of any program.
- Understand the data needs for each individual EC section.
- Understand how the EC is used by CRS.
- Change attendee's approach to ECs from 'minimum needs' to 'best practice'.
- Avoid common mistakes that can invalidate the EC for certain programs.
