

Elevation Certificate Basics & CRS EC Requirements

When: Wednesday, January 13, 2016
9 AM – 4 PM

Where: City of Doral
8401 NW 53 Terrace
3rd Floor Training Room
Doral, FL 33166

CECs: 6 for CFM
4 for PE
4 for PLS

Instructor: Del Schwalls, PE, CFM

Cost: \$50 – FFMA individual members
\$150 – non-FFMA members

Course Description:

This course will:

- Provide detailed training on completing a FEMA Elevation Certificate (EC) accurately and in its entirety, allowing full compliance with any program that requires submission of a FEMA EC.
- Cover EC requirements for surveying, foundation flood openings, and certification.
- Review the Community Rating System (CRS) requirements for an EC and those portions that can differ from other programs.
- Identify the portions of the EC instructions that should not be used, in order to achieve full compliance with all programs.
- Include common errors and omissions, review of the various EC building diagrams, and real-world examples.

Course Objectives:

- Learn to complete a FEMA EC in order to satisfy the requirements of any program.
- Understand the data needs for each individual EC section.
- Understand how the EC is used by CRS.
- Change attendee's approach to ECs from 'minimum needs' to 'best practice'.
- Avoid common mistakes that can invalidate the EC for certain programs.
