

Advanced Floodplain Management Concepts II

(EMI Course Code: L-282)

When: January 30 – February 2, 2017
8 AM – 5 PM

Where: City of Doral Government Center
8401 NW 53 Terrace
Third Floor Training Room
Doral, FL 33166

CECs: 12 CECs for CFMs

Instructor: FEMA

Cost: \$50 – FFMA individual members
\$150 – non-FFMA members

Seating limited to first 30 paid attendees.
Fewer than 20 attendees by January 19th
will result in course cancellation.

This four-day course includes Flood Insurance for the Local Floodplain Manager, Higher Standards and No Adverse Impact Concepts, Hydrology and Hydraulics for the Floodplain Manager, and Manufactured Homes and RVs in the Floodplain.

Course objectives are to provide participants with the in-depth analysis and more advanced discussion of floodplain management concepts so States, local governments, Federal agencies, and Tribes can more effectively manage and implement flood damage reduction programs to reduce or eliminate future flood losses.

EMI Registration

An additional EMI form (#119-25-1) is required in order to take the class.

Complete the form and email it to sally.cook@mymanatee.org by **January 19, 2017.**

Recommended Prerequisites

This course is for community officials with a Certified Floodplain Manager (CFM) designation or 2 years of full-time floodplain management experience as a community official. Participants should have completed the *Managing Floodplain Development through the NFIP* course.
